

Refugee Small Group Discussion

Background:

- According to the UNHCR, there are currently some **65.6 million forcibly displaced people** worldwide today
- Nearly **20 people are forcibly displaced every minute**
- At present, the world is facing the highest level of displacement on record

Questions:

What does “welcome” mean to you?

Do you believe your community is a welcoming one?

What do you know about the current refugee crisis?

How do you believe your church should respond?

What is one action you can do to support refugees today?
